

RENOVATION AND STYLING · PORT D'ANDRATX

Port d'Andratx Apartment

Light, timber and views in Port d'Andratx.

Project dossier · NSG Interior Design & Projects

THE PROJECT

Renovated and *styled*.

A 175 m² single-family apartment in Port d'Andratx, with timber window frames and views over the hills and the village.

The result photos show large-format light floors, limed timber beams, bathrooms with white basins on reclaimed-timber worktops and a dining room open to the views.

LOCATION	Port d'Andratx, Mallorca
WORK	Apartment renovated and styled
AREA	175 m ²

THE STARTING POINT

Before: living room with fireplace and terracotta floor

THE RESULT

Every space has a story.
