

RESIDENTIAL · DECORATION AND STYLING

Genova House

Warmth for a contemporary home.

Project dossier · NSG Interior Design & Projects

THE PROJECT

From an empty space to a home full of *life*.

A home with contemporary lines: a white kitchen open to the dining area, timber floors and a large living room with lit shelving.

NSG prepared decoration boards for each room — with specific recommendations for every space — and carried them through to the final result.

SPACES	Entrance · kitchen and dining · living room

WHAT NSG DID

- 01 Decoration boards by room: entrance, entrance and kitchen, kitchen and dining, living room.
- 02 Entrance: a console for keys with a decorative vase; a large mirror facing the kitchen to add depth.
- 03 Dining: a floral centrepiece with decorative candles and a large green planter by the windows.
- 04 Living room: cushions and textiles, decorative objects and plants.
- 05 Selection of decorative pieces and textiles.

CONCEPT AND MATERIALS

NSG's recommendations, room by room.

“A beautiful floral arrangement to place in the centre of the table, accompanied by some decorative candles.” “At the wall in front of the kitchen I would hang a big mirror to give a visual effect of deepness to the entrance.” “In the entrance I recommend to put a console for the keys, combined with a decoration vase.” (From NSG’s boards.)
