

FULL RENOVATION · PALMA OLD TOWN

Old Town House

More space and more light in an old Palma house.

Project dossier · NSG Interior Design & Projects

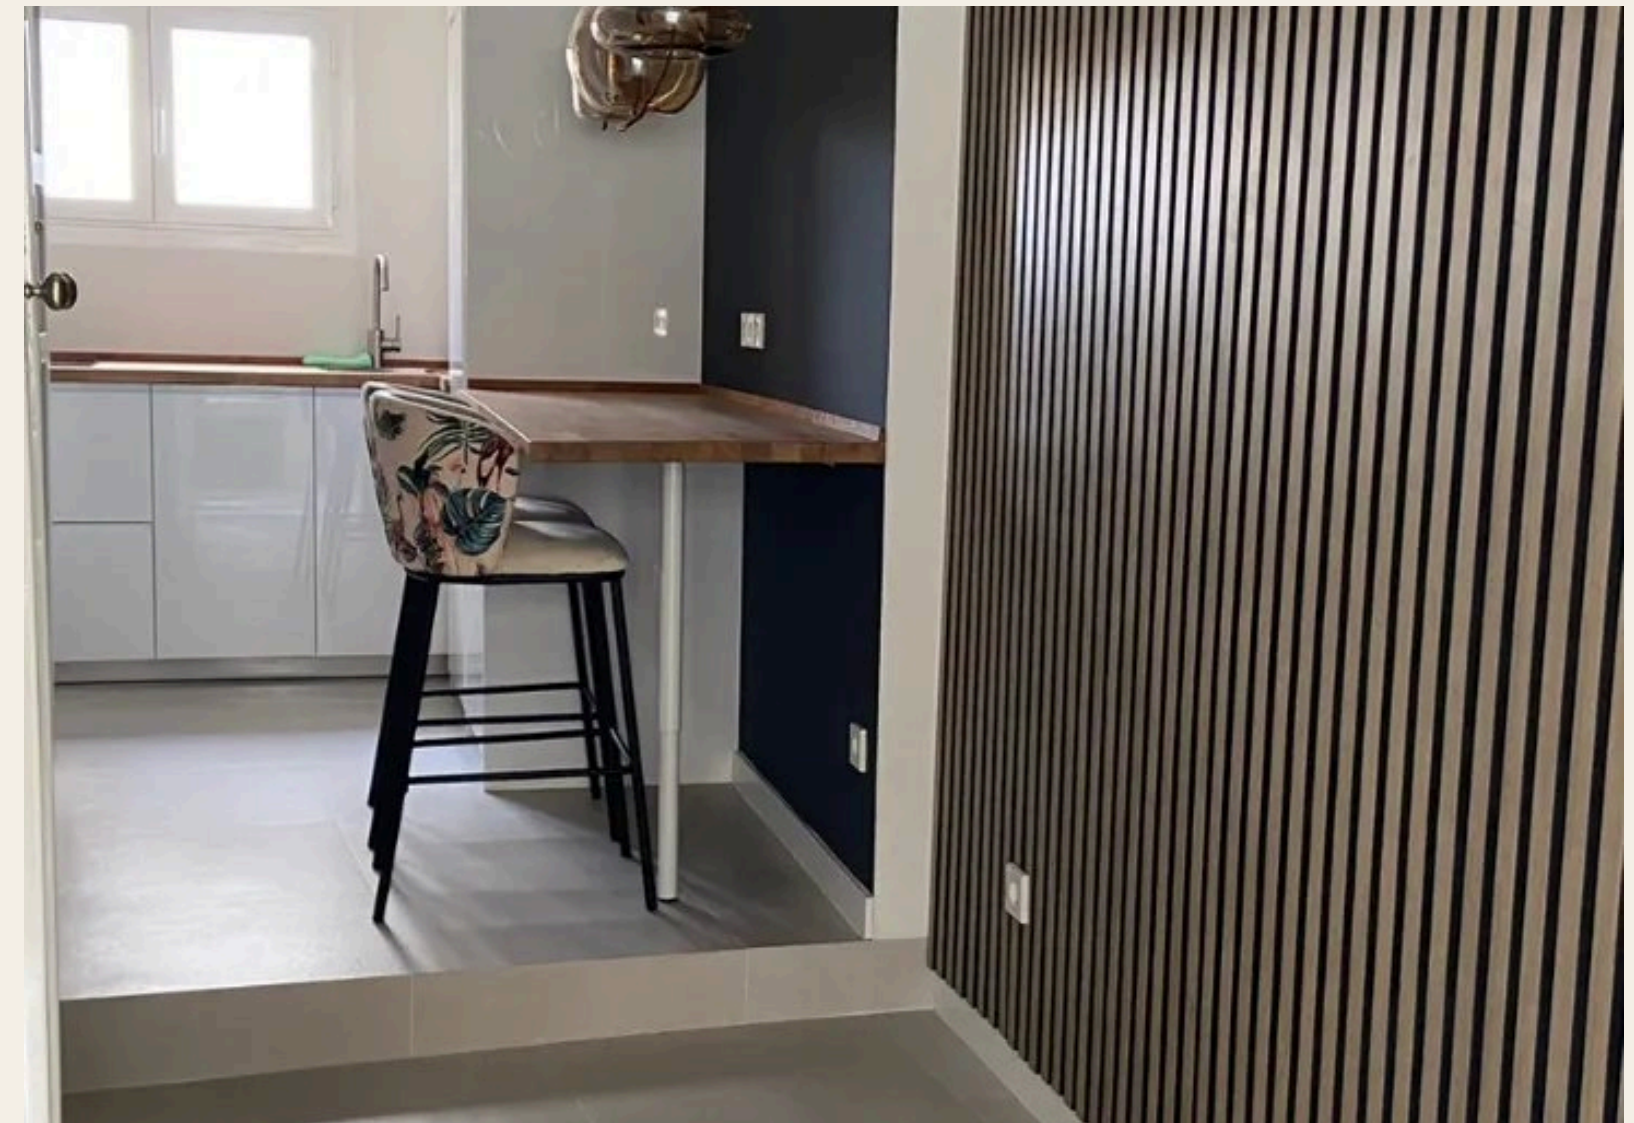

THE PROJECT

Fewer walls, *more light*.

An old house in Palma's historic centre, divided into small rooms.

The full renovation removed those small spaces to make way for larger rooms — kitchen, bathroom and living room — and let natural light into the whole house.

LOCATION

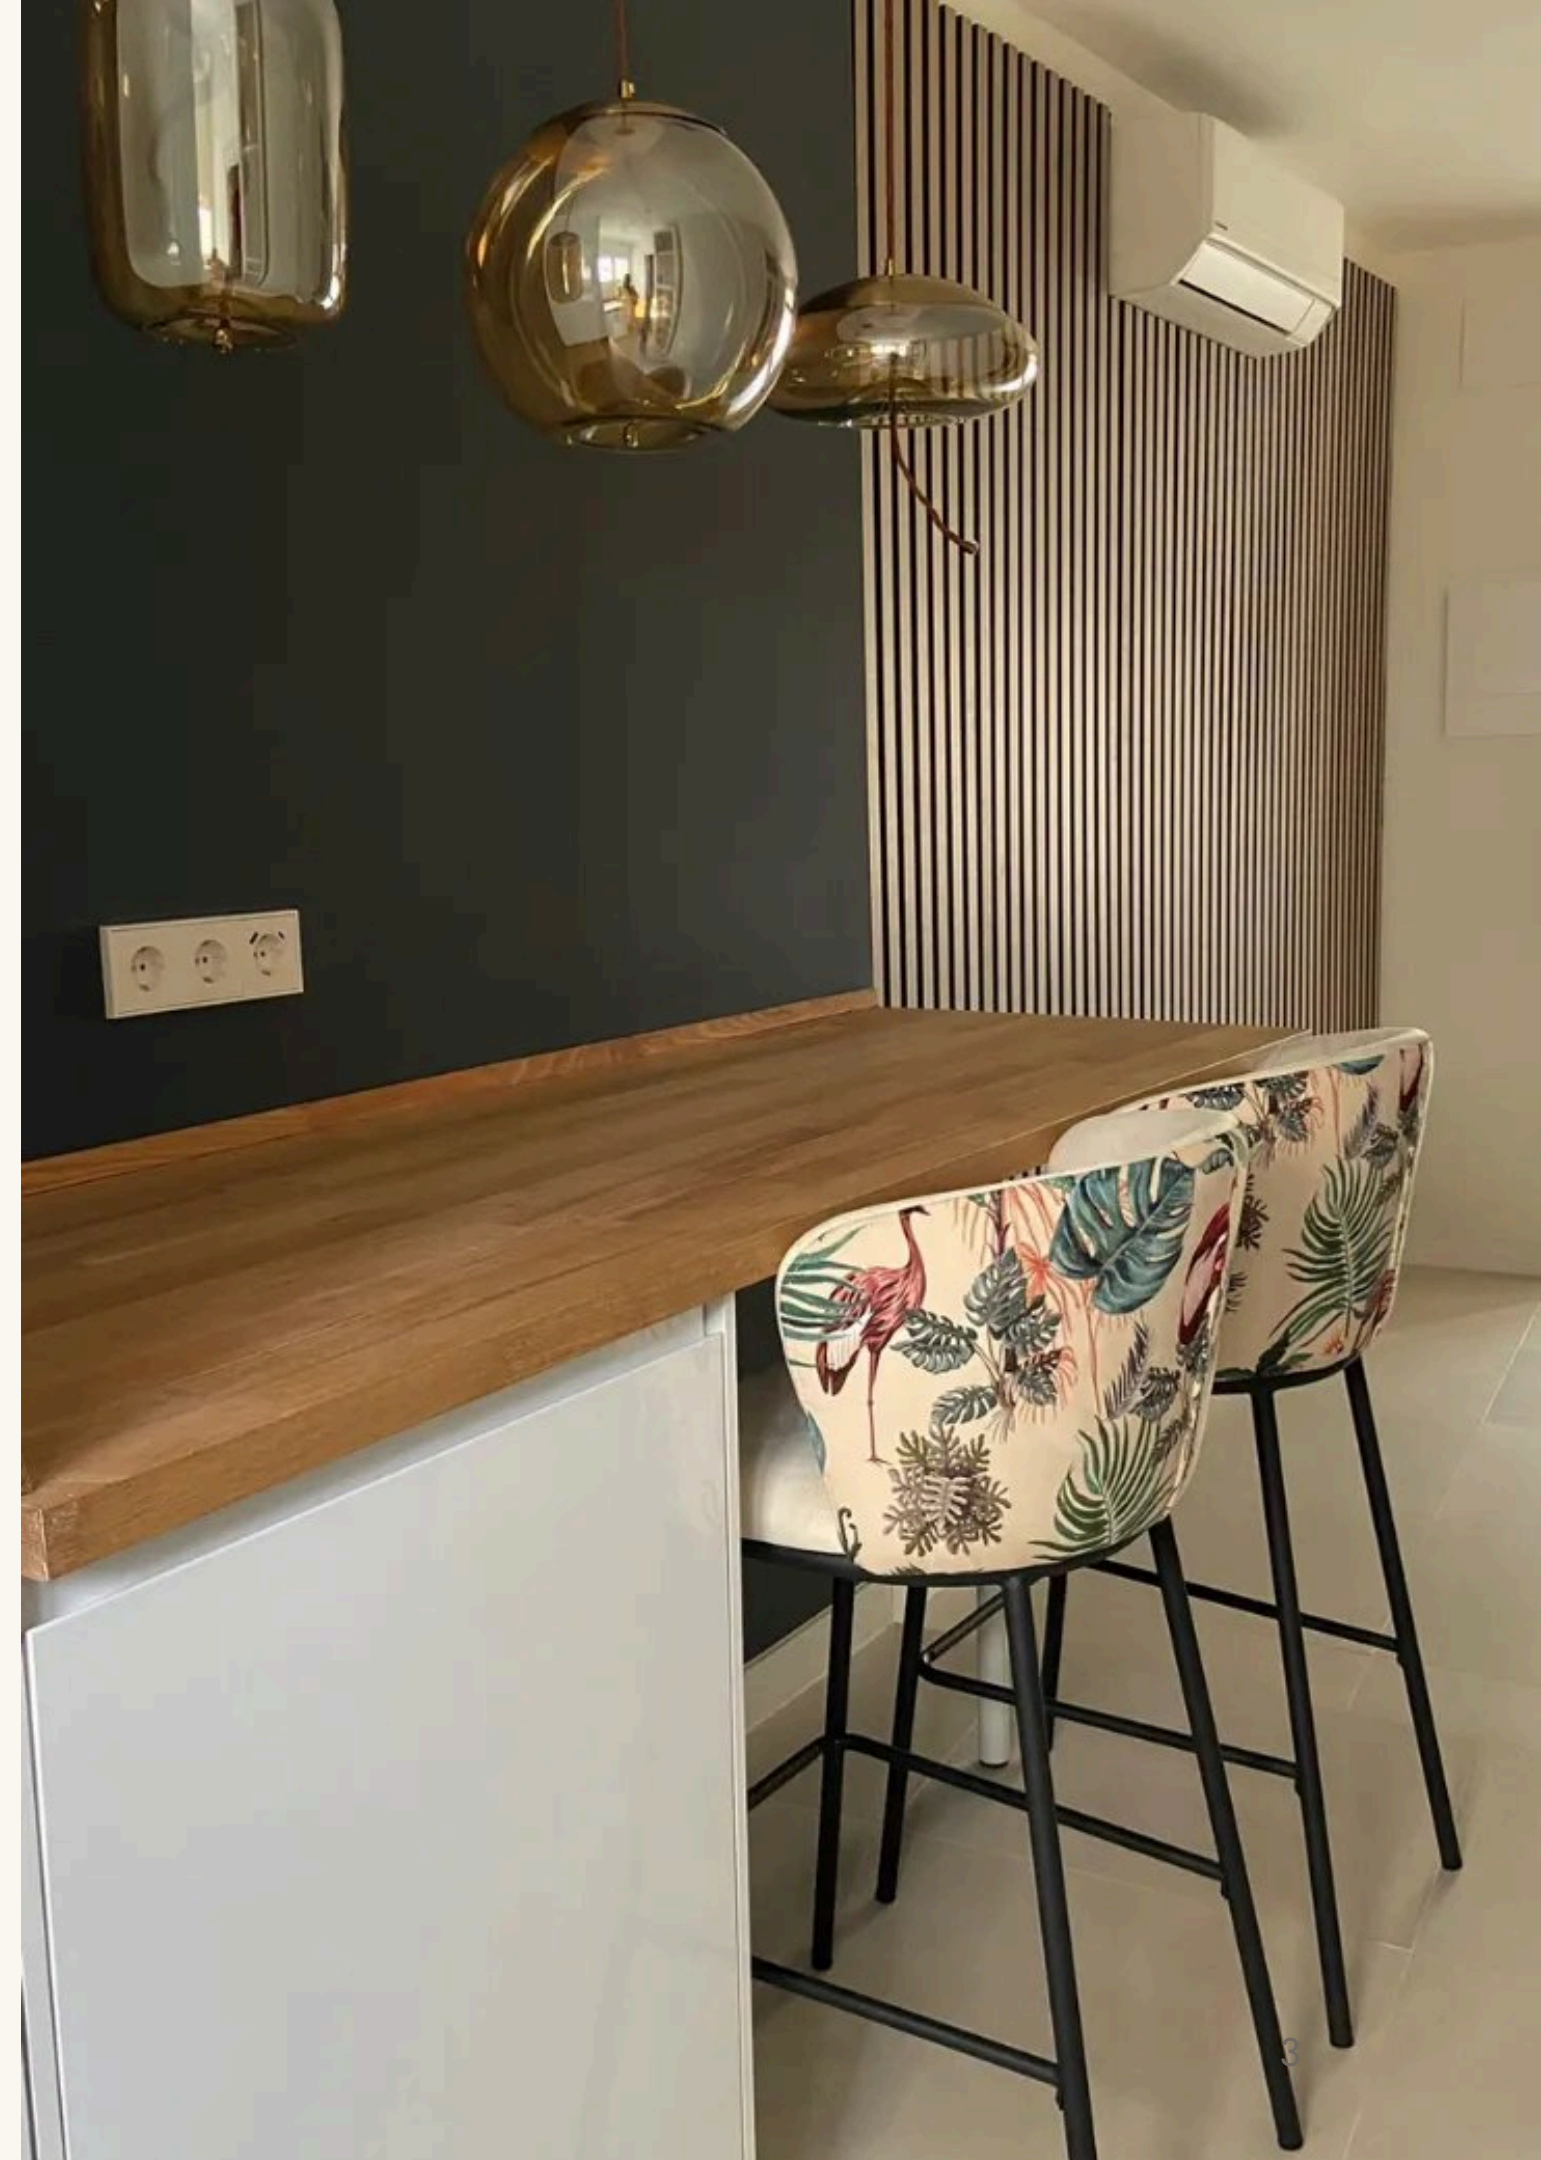

Palma old town

WORK

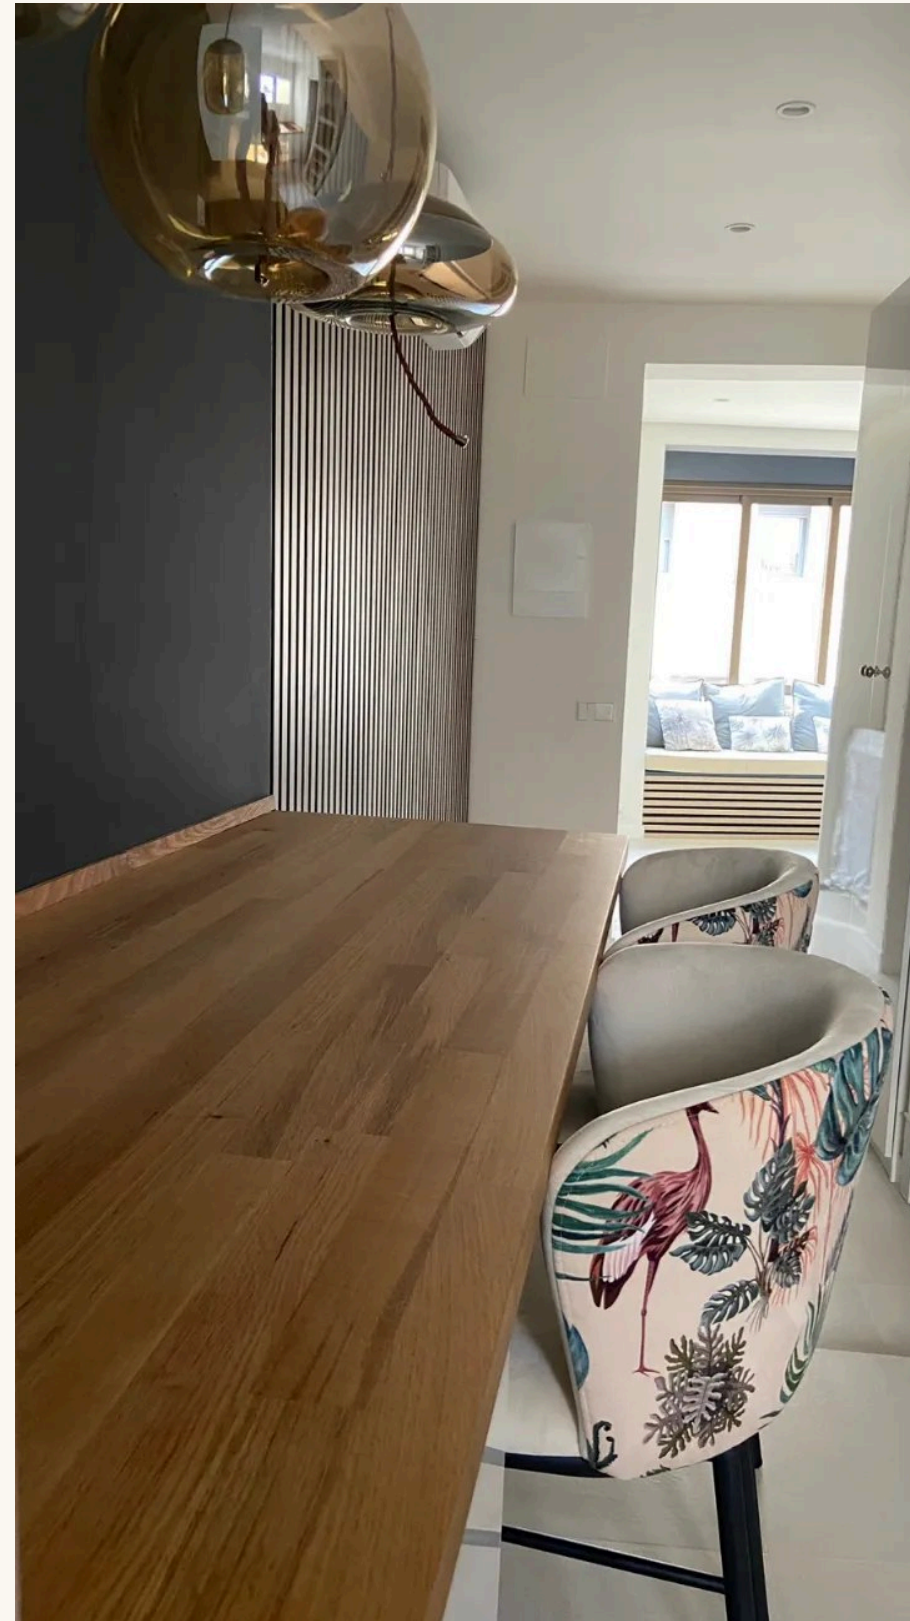

Full renovation of an old house

WHAT NSG DID

- 01 Full renovation of the house.
 - 02 Small rooms joined into larger spaces: kitchen, bathroom and living room.
 - 03 Natural light brought in throughout the house.
-

THE RESULT

Every space has a story.
